

Each Cohort year State of California Leadership advises Cal-IPGCA “innovationist trainees” on developing their Moonshot projects that reimagine enterprise-wide challenges facing the State of California. Our leaders are the instructors for Cal-IPGCA’s state-of-the-art curriculum, and they are the advisors for the innovationists’ Moonshot prototypes and “test-bed” activities. The COVID-19 and racial injustice pandemics exponentially reshaped both the structure and approach of Cohort 2021’s Change Challenge Forums, and “Cal-IPGCA’s Leaders Training Leaders” environment was captured and deployed in real-time. This curriculum change has been incorporated to occur annually. There is never a more pivotal time to challenge, change, and grow yourself and your teams through the strategic advisory of State leadership!

- Free Professional Development Hours:** Through the Cal-IPGCA Association, state employees attending the series of 5 Leaders Forum Events, and having signed-in and signed-out to document their participation receive a certificate of completion for 15 Professional Development Hours. All training events are free, but you must register and attend all 5 training sessions to receive the 15 PDH Completion Certificate.
